www.goodnewswi.com

Our office/warehouse is located four blocks south of Bridge St. in Wausau, WI.

Our entrance is on the south side of the building and faces the railroad tracks.

We are a 501(c)3 non-profit.

**Our Mission** - Fulfilling needs at home and abroad through meaningful service opportunities.

**Our Vision** - Be the good for the environment and each other.

In addition to **e-CYCLING**, we are the connection between those who have used medical equipment to donate, and those who need to borrow equipment for short-term use.

We also serve people in the West Indies by sending short-term volunteer teams to build homes, teach in schools, and visit the imprisoned and elderly.

Your Central Wisconsin resource for safely recycling outdated electronics

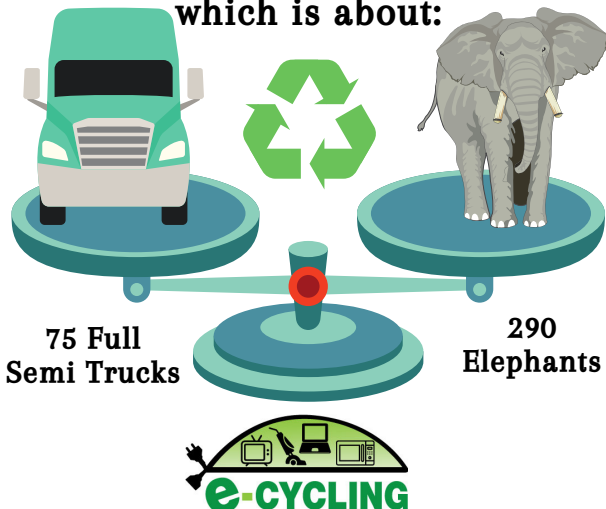

## Want to Serve Others?

Hundreds of volunteers put in thousands of hours annually at Good News Project. They are the key to our programs, and we couldn't help others without them.

**BE THE GOOD**
