

*Our Mission* - Fulfilling needs at home and abroad through meaningful service opportunities.

*Our Vision* - Be the good for the environment and each other.

In addition to

**H.E.L.P.**, we

provide electronic recycling services, which protects the

environment and conserves valuable raw materials, every Friday.

Our International Service program currently assists children's

programming and education in the West Indies.

## Why Support the **Health Equipment Lending Program?**

- Your gently used medical equipment donation is re-used by those in need
- Equipment doesn't end up in the landfills or need to be newly manufactured
- Volunteer hours and monetary donations allow our programs to serve our communities
- Surplus equipment is shipped overseas through collaborative efforts
- All donations are tax deductible

**Last Year, about 2,150 families were assisted, an average of 179 per month!**

***We accept gently used medical equipment as donations.***

***We clean, sanitize and safety check the equipment to lend to those in need.***
