

Our Mission - Fulfilling needs at home and abroad through meaningful service opportunities.

Our Vision - Be the good for the environment and each other.

In addition to **e-CYCLING**, we are the connection between those who have used medical equipment to donate, and those who need to borrow equipment for short-term use.

Our International Service program currently assists children's programming and education in the West Indies.

Want to Serve Others?

Fill out a volunteer application online to get started. Volunteers are key to the success of our programs and we couldn't help others without them.

Be the Good
Volunteer With Us!

Our Location

1106 N. Fifth St.
Wausau, WI 54403

715-843-5985
www.goodnewswi.com

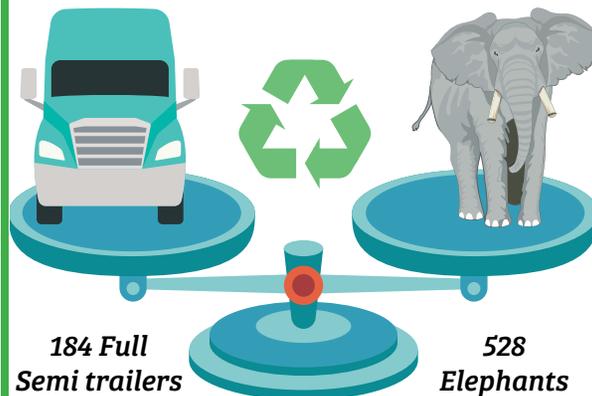

Bridge St.

Our office/warehouse is located four blocks south of Bridge St. in Wausau, WI.

The e-CYCLING Service Entrance is on the west side of the building by our parking lot.

e-CYCLING has recycled over 4.2 million pounds which is about:

Your Central Wisconsin resource for safe, responsible electronics recycling.

Fridays Only
9am - 4pm

Why e-CYCLE at Good News Project?

- Protects the environment and human health by keeping toxins like lead, mercury, and cadmium out of landfills and our ecosystem.
- Recovers reusable materials like plastics, copper, steel, precious metals, and more – roughly 99.6% of the e-waste we collect stays out of the landfill!
- Reduces greenhouse gas emissions while reducing the need for mining and other environmentally-invasive processes.
- Data destruction is securely conducted at or above all state, federal, and Department of Defense standards.
- 100% of proceeds help fund our nonprofit's efforts in the community!

2024 Recipient
Wisconsin DNR
Recycling Excellence Award
