Mobile HELP Truck Schedule

What is the Health Equipment Lending Program (HELP)? A program that has operated in Wausau for 15 years offering loans of gently used home medical equipment for short-term use (up to six months). Anyone is able to borrow the equipment. A monetary donation is suggested. The user (or family member) is responsible to pick up the equipment from our office or the truck, then return it when it is no longer needed.

What is the Mobile HELP Truck? An extension of HELP, this truck brings cleaned and sanitized medical equipment **to** people outside of the Wausau area, when reserved in advance. It will park at a central location in each town, for one hour, two times each month. (HELP continues to be available at our office in Wausau)

How does the program work? People looking to borrow equipment must call 715-843-5985 to check availability and reserve in advance. If HELP has the equipment needed, it can be reserved. The items can be picked up in Wausau, or put on the truck for pickup the next time the truck is in your area.

Can I return borrowed equipment to the truck when I am done using it? Yes! If the equipment is heavy, please bring someone to help you.

Can I donate gently used medical equipment at the truck? Absolutely. We accept items that we loan out, and reserve the right to be selective. Thank you.

Click here for info

2026 (July through December)

Shaded weeks represent the days that the truck will be operating

Before leaving home to visit the truck, please call our office to verify that it will be on location that day. 715-843-5985.
